### 3. GUIDING PRINCIPLES

#### 3.1 Facilitating complaints and compliments

##### 3.1.1 People focus

We are committed to seeking and receiving feedback and complaints about our services, systems, practices, procedures, products and complaint handling.

Any concerns raised in feedback or complaints will be dealt with within a reasonable time frame.

People making complaints will be:

- a) provided with information about our complaint handling process
- b) provided with multiples and accessible ways to make complaints or compliments
- c) listened to, treated with respect by staff and actively involved in the complaint process where possible and appropriate, and

##### 3.1.2 No detriment to people making complaints

We will take all reasonable steps to ensure that people making complaints are not adversely affected because a complaint has been made by them or on their behalf.

##### 3.1.3 Anonymous complaints

We accept anonymous complaints and will assess issues raised where appropriate to do so and where there is enough information provided to be able to investigate a matter.

However, without any contact details provided from the complainant, we will not normally be able to advise the complainant of the outcome of the complaint.

##### 3.1.4 Accessibility

We will ensure that information about how and where complaints may be made to or about us is well publicised. We will ensure that our systems to manage complaints are easily understood and accessible to everyone, particularly people who may require assistance.

If a person prefers or needs another person or Junee Shire Council to assist or represent them in the making and/ or resolution of their complaint, we will communicate with them through their representative if this is their wish. Anyone may represent a person wishing to make a complaint with their consent (e.g. advocate, family member, legal or community representative, Member of Parliament, or another organisation).

## 3.2 Respond to complaints

### 3.2.1 Early resolution

Where possible, complaints will be resolved at first contact with Junee Shire Council, and these complaints will be recorded within Council's record management system.

### 3.2.2 Responsiveness

We will promptly acknowledge receipt of complaints or compliments.

We will assess and prioritise complaints in accordance with the urgency and/or seriousness of the issues raised. If a matter concerns an immediate risk to safety or security the response will be immediate and will be escalated appropriately.

We are committed to managing people's expectations, and will inform them as soon as possible, of the following:

- a) the complaints process
- b) the expected time frames for our actions
- c) the progress of the complaint and reasons for any delay
- d) their likely involvement in the process, and
- e) the possible or likely outcome of their complaint.

We will advise people as soon as possible when we are unable to deal with any part of their complaint and provide advice about where such issues and/or complaints may be directed (if known and appropriate).

We will also advise people as soon as possible when we are unable to meet our time frames for responding to their complaint and the reason for our delay.

### 3.2.3 Objectivity and fairness

We will address each complaint with integrity and in an equitable, objective and unbiased manner.

We will ensure that the person handling a complaint is different from any staff member whose conduct or service is being complained about.

Conflicts of interests, whether actual or perceived, will be managed responsibly. In particular, internal reviews of how a complaint was managed will be conducted by a person other than the original decision maker.

### 3.2.4 Responding flexibly

Our staff are empowered to resolve complaints promptly and with as little formality as possible. We will adopt flexible approaches to service delivery and problem solving to enhance accessibility for people making complaints and/or their representatives. We will assess each complaint on its merits and involve people making complaints and/or their representative in the process as far as possible.

### 3.2.5 Confidentiality

We will protect the identity of people making complaints where this is practical and appropriate.

Personal information that identifies individuals will only be disclosed or used by the Junee Shire Council as permitted under the relevant privacy laws, secrecy provisions and any relevant confidentiality obligations.

## 3.3 Manage the parties to a complaint

### 3.3.1 Complaints involving multiple agencies

Where a complaint involves multiple organisations, we will work with the other organisations where possible, to ensure that communication with the person making a complaint and/or their representative is clear and coordinated.

Subject to privacy and confidentiality considerations, communication and information sharing between the parties will also be organised to facilitate a timely response to the complaint.

Where a complaint involves multiple areas within Junee Shire Council, responsibility for communicating with the person making the complaint and/or their representative will also be coordinated.

Where our services are contracted out, we expect contracted service providers to have an accessible and comprehensive complaint management system. We take complaints not only about the actions of our staff but also the actions of service providers.

### 3.3.2 Complaints involving multiple parties

When similar complaints are made by related parties we will try to arrange to communicate with a single representative of the group.

### 3.3.3 Empowerment of staff

All staff managing complaints are empowered to implement this policy as relevant to their role and responsibilities.

Staff are encouraged to provide feedback on the effectiveness and efficiency of all aspects of this policy.

### 3.3.4 Managing unreasonable conduct by people making complaints

We are committed to being accessible and responsive to all people who approach us with feedback or complaints. At the same time our success depends on:

- our ability to do our work and perform our functions in the most effective and efficient way possible
- the health, safety and security of our staff, and
- our ability to allocate our resources fairly across all the complaints we receive.

When people behave unreasonably in their dealings with us, their conduct can significantly affect the progress and efficiency of our work. As a result, we will take proactive and decisive action to manage any conduct that negatively and unreasonably affects us and will support our staff to do the same in accordance with this policy.

The circumstance in which we may decide not to enquire into the matter would involve grounds where the complaint is trivial, frivolous, vexatious or not made in good faith.

## 4. Complaint Management System

### 4.1 Introduction

When responding to complaints, staff should act in accordance with our complaint handling procedures as well as any other internal documents providing guidance on the management of complaints. Staff should also consider any relevant legislation and/or regulations when responding to complaints and feedback.

The five key stages in our complaint management system are set out below.

### 4.2 Receipt of complaints

Unless the complaint has been resolved at the outset, we will record the complaint and its supporting information. We will also assign a unique identifier to the complaint file.

The record of the complaint will document:

- a) the contact information of the person making a complaint
- b) issues raised by the person making a complaint and the outcome/s they want
- c) any other relevant and
- d) any additional support the person making a complaint requires.

### 4.3 Acknowledgement of complaints

We will acknowledge receipt of each complaint promptly and preferably within two working days.

Consideration will be given to the most appropriate medium (eg. email, letter) for communicating with the person making a complaint.

### 4.4 Initial assessment and addressing of complaints

#### 4.4.1 Initial assessment / Assigning Priority

After acknowledging receipt of the complaint, we will confirm whether the issue/s raised in the complaint is/are within our control. We will also consider the outcome/s sought by the person making a complaint and, where there is more than one issue raised, determine whether each issue needs to be separately addressed.

When determining how a complaint will be managed and prioritised, we will consider:

- a) How serious, complicated or urgent the complaint is
- b) Whether the complaint raises concerns about people's health and safety
- c) How the person making the complaint is being affected

- d) Whether enough information is available
- e) The risks involved if resolution of the complaint is delayed
- f) Whether a resolution requires the involvement of other organisation
- g) In the case of a Code of Conduct complaint, how much time has passed since the alleged conduct occurred
- h) The resources available to Council to satisfactorily address the complaint.

Requests received from Councillors must be submitted on the prescribed form and identify whether the request is lodged in their capacity as a resident or Councillor.

#### 4.4.2 Addressing complaints

After assessing the complaint, we will consider how to manage it. To manage a complaint we may:

- a) Give the person making a complaint information or an explanation
- b) Gather information from the product, person or area that the complaint is about, or
- c) Investigate the claims made in the complaint.

We will keep the person making the complaint up to date on our progress, particularly if there are any delays. We will also communicate the outcome of the complaint using the most appropriate medium. Which actions we decide to take will be tailored to each case and take into account any statutory requirements.

We set a target of assessing 90% of complaints we receive within 21 days. If a complaint takes longer to process than 21 days we will advise the person making the complaint as to why.

#### 4.5 Providing reasons for decisions

Following consideration of the complaint and any investigation into the issues raised, we will contact the person making the complaint and advise them:

- a) the outcome of the complaint and any action we took
- b) the reason/s for our decision
- c) the remedy or resolution/s that we have proposed or put in place, and

If in the course of investigation, we make any adverse findings about a particular individual, we will consider any applicable privacy obligations under the *Privacy and Personal Information Protection Act 1998* and any applicable exemptions in or made pursuant to that Act, before sharing our findings with the person making the complaint.

#### 4.6 Closing the complaint, record keeping, redress and review

We will keep comprehensive records about:

- a) How we managed the complaint
- b) The outcome/s of the complaint (including whether it or any aspect of it was substantiated, any recommendations made to address problems identified and any decisions made on those recommendations, and
- c) Any outstanding actions that need to be followed up.

We will ensure that outcomes are properly implemented, monitored and reported to the complaint handling manager and/or senior management.

The record keeping system will be the Council's Customer Request System.

## 4.7 Alternative avenues for dealing with complaints

We will inform people who make complaints to or about us about any internal or external review options available to them including:

- Office of Local Government
- The Independent Commission Against Corruption (the ICAC)
- NSW Ombudsman
- Department of Planning and Environment

## 4.8 The three levels of complaint handling

We aim to resolve complaints at the first level, the frontline. Wherever possible, staff will be adequately equipped to respond to complaints, including being given appropriate authority, training and supervision.

Where this is not possible, we may decide to escalate the complaint to a more senior officer within Junee Shire Council. This second level of complaint handling will provide for the following internal mechanisms:

- a) assessment and possible investigation of the complaint and decision/s already made, and/or
- b) facilitated resolution (where a person not connected with the complaint reviews the matter and attempts to find an outcome acceptable to the relevant parties).

Where a person making a complaint is dissatisfied with the outcome of Junee Shire Council's review of their complaint, they may seek an external review of our decision (by the Ombudsman for example).

## 5. ACCOUNTABILITY AND LEARNING

### 5.1 Analysis and evaluation of complaints

We will ensure that complaints are recorded in a systematic way so that information can be easily retrieved for reporting and analysis.

Regular analysis of these reports will be undertaken to monitor trends, measure the quality of our customer service and make improvements.

Both reports and their analysis will be provided to June Shire Council's General Manager and senior management for review.

### 5.2 Monitoring of the complaint management system

We will continually monitor our complaint management system to:

- a) ensure its effectiveness in responding to and resolving complaints, and
- b) identify and correct deficiencies in the operation of the system.
- c) Monitoring may include the use of audits, complaint satisfaction surveys and online listening tools and alerts.

### 5.3 Continuous improvement

We are committed to improving the effectiveness and efficiency of our complaint management system. To this end, we will:

- a) support the making and appropriate resolution of complaints
- b) implement best practices in complaint handling
- c) recognise and reward exemplary complaint handling by staff
- d) regularly review the complaints management system and complaint data, and
- e) implement appropriate system changes arising out of our analysis of complaints data and continual monitoring of the system.
