Re: Claim the date Junee Shire Council Volunteers' Summit Friday 25th May, Junee.

Junee Shire Council will be hosting a Volunteers' Summit on Friday 25th May. The intention of this day is to celebrate and recognise the critical work of the hundreds of volunteers in our community. We will also be focusing on raising awareness of the volunteer opportunities that are available and providing information that addresses concerns potential volunteers may have.

Along with the important component of recognition, the day will provide opportunities for volunteers to share experience and knowledge, discuss key issues with members of an expert panel and participate in workshops covering topics such as insurance and risk management, training, fund raising, marketing and human capital.

Junee Shire Council invites your committee to attend the day, and also to be active participants by preparing and hosting an information table about your own group.

I trust that you will forward this invitation along to your committee members, and that you are happy to take an active role in the day. We will have further materials regarding the day available via the media and through our online portals, but if you would like any further information please do not hesitate to contact Project Officer Gemma Meier at this office, gemma.meier@juneensw.gov.au
