

## Sewerage Fees and Charges

In 2017/18, Junee Shire Council introduced a new pricing structure for the supply of sewerage services, for non-residential properties. The new pricing structure is consistent with the NSW State Government's *Best Practice Management Framework for Water Supply and Sewerage Services* and aims to introduce equity across the community.

To offset this change, for small businesses (being those with fewer than 35 employees) a five-year phase in has also been adopted. This will see a percentage of any **increase in addition to that which would have ordinarily been experienced** rebated back to small businesses. In 2018/19 the rebate amount is 60%.

For example: if the new pricing structure results in a \$100 increase, the small business owner would receive a discount of \$60.

## Development Fees and Charges

### Section 68

For some activities listed in section 68 of the Local Government Act, Junee Shire Council does not charge an application, however this does not also mean that no approval is required. If you are intending to undertake one of the activities listed, you must still apply for an approval to undertake that activity.

## Community, Library and Junee Junction Recreation and Aquatic Centre

### Junee Junction Recreation and Aquatic Centre

“Concession” is defined as:

- Child 4 years to 18 years
- Pensioner with a Concession Card (on presentation of proof)
- Seniors Card holders (on presentation of proof)
- Full-time university students and TAFE students (on presentation of proof)

A child of 3 years old or under is free.

From time to time promotional periods may occur during the year to grow membership of the centre and discounted fees may apply.

In 2016/17, Junee Junction Recreation and Aquatic Centre discontinued Monthly Direct Debit Memberships. Those members who were on this particular membership structure at the time can remain so, thus the monthly fees are listed.

Spectator fees are not payable by parents, carers or guardians of Junee Swimming Club members when attending club training and club events and parents, carers and guardians of Poynter Swimming participants when attending or assisting with learn-to-swim lessons. It is payable by these people when attending swimming carnivals and other events.

## Engineering & Infrastructure Fees and Charges

### Private Works

Private Works undertaken by the Council are done so pursuant to Section 67 of the Local Government Act 1993. It is the Council's policy that all plant hired will be operated by an employee of the Council, ie. the Council will not 'dry hire' any item of plant.

Where works are undertaken outside of normal working hours, an overtime loading shall apply.

Similarly, where works are undertaken as a call-out (irrespective of the duration) or on short notice, a loading shall apply.

Private Works will be undertaken either as a 'do and charge' or on a quote basis and this applies to labour, plant and materials.
