Private Works

Private Works undertaken by the Council are done so pursuant to the Local Government Act 1993. It is the Council's policy that all plant hired will be operated by an employee of the Council, i.e. the Council will not 'dry hire' any item of plant.

Where works are undertaken outside of normal working hours, an overtime loading shall apply.

Similarly, where works are undertaken as a call-out (irrespective of the duration) or on short notice, a loading shall apply.

Private Works will be undertaken either as a 'do and charge' or on a quote basis and this applies to labour, plant and materials.
