CLIENT INFORMATION HANDBOOK

Who has access to your personal information?

In order to support our communities, the Federal and State Governments provide funding for many community services. For these services to work well, the Government needs to know how services support people in their homes and communities and may require statistical information such as:

- ◇ Whether you are male or female
- ◇ Your postcode, suburb or town, and State you live in
- ◇ Your age and birth date
- ◇ Whether you are a person of Aboriginal and/or Torres Strait Islander descent
- ◇ If you have an unpaid person who regularly helps you (a Carer)
- ◇ Whether you own your own home, rent or board.
- ◇ If you receive an Aged Care Package.
- ◇ What language is spoken at home.
- ◇ Your Country of birth.

Your consent is required for this information to be assessed by Transport for NSW (funding body) and My Aged Care.

Therefore a consent form will be sent to you to be signed and it must be returned as soon as possible to allow us to proceed with your transport requirements.

The information you give **CANNOT** be matched or compared to your Medicare or Centrelink records, or any other individual records about you.

For your records a JCT Client Information Handbook will be sent out to you together with the consent form. If you are over 65 or over 50 (ATSI) you will also get a Charter of Aged Care booklet and consent form which also needs to be signed and returned.

What is Junee Community Transport?

Junee Community Transport (JCT) is a not-for-profit organisation jointly funded by Federal and State Governments under the Commonwealth Home Support Program (CHSP) and the Community Transport Program (CTP) and supported by Junee Shire Council.

Our service assists the transport disadvantaged, older people and people with disabilities who live within the Junee Shire area to remain living in their own homes and to prevent their inappropriate or premature admission to Residential Care.

How does the service operate?

JCT is managed by Junee Shire Council. Day-to-day operations are carried out by a paid staff members with support from volunteers drivers. The Service operates three vehicles and provides a door-to-door service.

Transport services are provided 5 days a week (Mon-Fri) between 6:00am and 6:00pm (except Public Holidays), within and outside the Junee area.

Junee Community Transport Staff Members

JCT volunteers are qualified drivers only. They are not trained as carers as such cannot help clients with personal needs. However they are trained to support and encourage clients to carry their shopping bags as much as possible, to walk to the vehicle without help from the drivers or carers, to get in and out of the vehicle, to put on their own seat belts and to carry their belongings such as handbags and umbrellas.

This enabling approach focuses on what a person can do and wants to be able to do and aids in building confidence and self esteem.

What transport services are available?

Transport services are available to eligible persons for:

- ◇ Social Outings
- ◇ Shopping, Hairdressers, etc

- ◇ Provision of a regular service
- ◇ Provision of a temporary service with duration specified

If your call is not answered please leave your name and number and staff will call you back to assist you with your transport requirements.

A staff member will ask for details regarding your transport request such as:

- ◇ The date and time of your appointment
- ◇ Where you are travelling from and to
- ◇ Who the appointment is with
- ◇ How long the appointment will take
- ◇ Whether anyone will be accompanying you

It is important that you give a minimum of 48 hours for all transport bookings, changes to transport bookings and cancellations. While we can accept bookings at short notice we cannot always guarantee to be able to fit you in. Our service is very different from an on-call taxi service and cancellation charges may apply.

How much will the service cost?

The cost of services range in price, depending on where you are travelling to and from. This would be discussed with you at the time of making a booking and prior to the delivery of service.

If you are experiencing financial hardship you may wish to apply for financial assistance, where fees can be reduced or waived in certain circumstances.

What happens when you cancel?

Cancellations received after 12:00 noon on the working day before pick-up may attract a cancellation fee. The fee will be the cost of a local trip or \$10.00, whichever is the lowest and \$20.00 for long distance trips (outside Junee Shire Local Government Area). [If you do not pay on the day and have not made other arrangements with JCT Co-ordinator and an invoice needs to be raised, an extra \\$5.00 administration fee will apply.](#)

What happens if you are not at home when a staff member visits?

It is important to let the office know as soon as possible if you are not going to be at home for a transport pick-up. If you are unable to contact the office, please ask a relative or friend to contact us.

If we are concerned for your safety we will contact your next of kin and if necessary, we may call the ambulance or police.
